JILL ALLEN

Ambassador Club Director

I am feeling very thankful to have such a wonderful group of customers who have also become friends as well. Thank you for referring your friends and family to be part of our club. We are excited to kick-off our holiday parties in December. Please join us for delicious food and fun.

We had a fabulous time going to Iceland this September with 29 travelers in this beautiful and unique terrain. It personally was one of my favorite places I have ever traveled. We came back with lots of fond memories and new friendships. Please stay tuned as we announce our fun day trip options at the start of the year.

Travel signup for 2023 has begun. Following the destination parties, we have had lots of interest in our upcoming trips.

Our Essence of Panama tour can help check off your bucket list by going through the Panama Canal, island beach resort fun, and much more. If you book this trip before the end of November, we can take off \$100.00 per person off your final payment. Our domestic destination is New England Rails & Sails with our starting point in Boston, Massachusetts. We travel on 3 different New England trains, and 3 different New England Cruises including a whale watching cruise. Spots have gone incredibly quick with few spots remaining. Please call today to secure a spot or get on the waiting list if spots open back up.

If you haven't joined our book club, it's not too late. Our next book will be "The lost girls of Willow brook". Please let me know if

you need help finding the book.

Please check out the fun activities that each location has in store for you with cards, games, and movies & more in the upcoming months.

Happy Thanksgiving, Merry Christmas, and Happy New Year from our associates at Platte Valley Bank and Companies. It's our pleasure to be here for your financial needs.

quickest path to joy."**
