March 2023 - April 2023

"A Kind Word is like a spring day" - Unknown

I cannot believe how fast the year is progressing and that spring is approaching quickly. We are excited to host an array of events for you this upcoming year.

Our traveling program continues in full bloom with a small group of about 20 adventurers leaving to Panama in March. We have over 50 members traveling to the East coast this fall for our much anticipated "Rails & Sails" trip. The great news is more travel

adventures await you! We will be announcing our "Day Trips" in our May/ June issue. We will also be starting to announce our plans for 2024 in early summer so please stay tuned!

We would like to welcome our new Ambassador Club coordinator Mandy Cole to our Torrington location. We would love if you have a moment to stop over and meet her.

Fraud has really become something for us to watch out for and try to prevent. Please plan on joining us with our panel of experts to discuss how to detect, prevent, and protect yourself. We

will have this event available at our Scottsbluff campus on April 4th at 10:00 am. We will also have a zoom webinar option for you if you are unable to attend at this location and will be available for email as well.

Thanks to all that were able to attend our Valentines celebrations. It was such a fantastic time and we hope you continue to join us for our special celebrations.

Our heartfelt thanks for your continued business and being part of our Ambassador Club family. We hope to see you soon!
