"Pack your bags; fill your days; summer is for adventures in a million ways."
-Unknown

Summer means BBQ's, ice cream, cold drinks, and time with friends. We have that all for you with our fun-filled end of summer bash events. Please save yourself a spot by putting in an RSVP with the location near you.

Travel, Travel, Travel. This is truly one of my favorite topics and it is booming here with the Ambassador club. Thanks to the large numbers that attended our travel parties. We sold out Italy in a week! If you still have interest in that trip, please get ahold of me or the local coordinator and get yourself on the waiting list.

Luckily, we still have room on our Venture to Virginia for 2025. This trip will include staying on Virginia Beach, a dolphin/whale cruise, and a

tour of the Military Aviation museum featuring one of the largest collections of WWI and WWII aircraft. These are just a few of the exciting items we will be doing on the domestic adventure.

We are so excited to announce the Ambassador Club is coming to one of our newest bank locations. We want to welcome our bank in Chadron. We will kick off the club in August 2024. We will have more details to come about this great opportunity to help get your friends in that area involved.

Thanks so much for continuing to be customers of Platte Valley Bank and companies! We appreciate you!

Director,
Jill Allen
