## WATCH OUT FOR FRAUDULENT CALLS

Scammers can spoof phone numbers, mimic voices, and even make a fake Caller ID to make it appear like a financial institution is calling you. If a phone call ever feels off, even if appearing to be legitimate, hang up and call back with the number listed on our website.

## **Celebrating Spring, Friendship, and Meaningful Moments with Ambassador Club**

Spring is a season of renewal, growth, and connection, and that spirit has truly been alive within our Ambassador Club. From informative events, unforgettable travels, and joyful gatherings, the past months have reminded me just how special this group is.

We have the pleasure of hosting several informative events focused on the power and importance of planning your wills and trusts. These sessions will provide valuable insights and peace of mind so please try to attend.

Come enjoy the sunshine by celebrating spring with a tomato planting party! Come join Cindy at Fanny's fruit farm for this special event.

One of the highlights of the year was our incredible trip along the Rhine River. This journey was especially memorable as it marked the largest travel group we have ever taken! From breathtaking scenery to shared meals and stories, the experience was truly

unforgettable. I am so grateful to have shared this adventure with such a fantastic group.

None of this would be possible without our amazing coordinators/assistants at each location. Their dedication, organization, and genuine care for our members make every event run smoothly. Thanks ladies, I am proud of all of you.

As I reflect on my time with the Ambassador Club, I am filled with gratitude. I have thoroughly enjoyed my seven years with this wonderful group. While my life is headed in a different direction, I will always treasure the friendships, memories, and moments we have shared. I hope our paths cross again in the future.

Thank you again for being loyal customers and for being such an important part of the Ambassador Club. It has truly been an honor to know and make memories with all of you.

Director,  
Jill Allen
